You need glasses. The background is navy and the text is blue. You are no one but the old, ugly little Jew I met in Italy with Mario (who wishes you were Italian).

Get a life and stop wishing you could be with me (or communicate with me) because not only are you are a troll, but you have too much time on your hands (when your small shriveled up dick is not in them jerking off thinking about me).

Have a nice day!
