FUCK YOU!!!

1 - YOU are the one with time on YOUR hands, because you were the one who contacted ME. If you had your own life, you would mind your own business (but obviously, you do not have a life).

2 - The web site does NOT exist. You're a lonely, depressed, poor, old, ugly, jew boy and a liar and you are nothing but a pathetic fan who wishes you could be with someone like me.

3 - Apparently, you have been looking up information on several of my web sites and are a deranged, asshole who came from a mother who was probably a hooker and a father who was probably an alcoholic. You sound like the type and any if you send any further e-mails, they will be forwarded to my security department, who by the way, WILL find out who you are, where you live and more. BEWARE!!!

Have A Nice Day!
