...that you are being investigated on now as we speak. My Uncle is a Police Commissioner and all of your information has been forwarded to him. You will not find any kind of peace until you answer to him.

All future e-mail from you has been automatically set up to be sent to his department of investigations. He already knows who you are, where you live, etc, but to protect me in the event something is "done" about you, I will be able to testify to not knowing.

By the way, you and your Jew friend are both old, poor, ugly, short, jealous, demented, lonely trolls who are still wishing you could be with a woman like me. You are so unworthy, you're not even good enough for me to shit in your mouth.

Try to be happy, if you can, because you will soon have to answer to my Uncle. It might not be directly, but from what he told me today, you will be getting "the message" soon.

P.S. Keep typing e-mails to me...You will soon have your hands cut off for it.
